

SHOW 2025 – INTERS/JUNIORS/SENIORS PERFORMING ARTS LYRICS

BEATLES MIX

HELP!

Help! I need somebody,
Help! Not just anybody,
Help! You know I need someone,
Help!

When I was younger, so much younger than today,
I never needed anybody's help in any way,
But now these days are gone and I'm not so self-assured,
Now I find I've changed my mind, I've opened up the doors.

Help me if you can, I'm feeling down,
And I do appreciate you being 'round,
Help me get my feet back on the ground,
Won't you please, please help me?

Help me, help me Ooh.

SHE LOVES YOU

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah, yeah
You think you've lost your love
Well, I saw her yesterday
It's you she's thinkin' of
And she told me what to say
She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh
She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
With a love like that
You know you should be glad
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah

HERE COMES THE SUN

Here comes the sun
Here comes the sun
And I say, it's all right

Little darling
I feel the ice is slowly melting
Little darling
It seems like years since it's been clear

Here comes the sun
Here comes the sun
And I say, it's all right

Here comes the sun
Here comes the sun
And I say, it's all right

It's all right

YESTERDAY

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Why she had to go I don't know, she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday, mm

HEY JUDE

Hey Jude, don't make it bad
Take a sad song and make it better

Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin (oh)
Then you begin (let it out) to make it better
Better, better, better, better, better (let yourself go)
Yeah-yeah-yeah, yeah-yeah-yeah-yeah (na-na-na, na-na-na)
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude

Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude

LET IT BE

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And when the broken hearted people living in the world agree
There will be an answer, let it be
For though they may be parted, there is still a chance that they will see
There will be an answer, let it be
Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be
And let it be, let it be, let it be, let it be
There will be an answer, let it be

And let it be, let it be, let it be, let it be
There will be an answer, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

TAKE THAT MIX

RELIGHT MY FIRE [JUNIORS & SENIORS ONLY]

You gotta be strong enough to walk on through the night
There's another new day on the other side
You gotta hope in your soul just to keep on walkin'
Strong enough to walk on through the night
There's another new day on the other side
But I've got hope in my soul, I keep walkin' baby
Keep on walking baby

Help me escape this feelin' of insecurity
I need you so much but I don't think you really need me
But like a thief in the night you took away the love that I knew

Relight my fire
Your love is my only desire
Relight my fire
Cause I need
Oh, I need your love, yeah

You gotta be strong enough to walk on through the night
There's another new day on the other side
You gotta hope in your soul just to keep on walkin'

IT ONLY TAKES A MINUTE [INTERS & TWEENS ONLY]

It only takes a minute girl...

Alright, let's go
Dance, come on now

It only takes a minute girl (Please)
To fall in love, (Just one minute) to fall in love (How, how)
It only takes a minute girl (It only takes a minute girl)
To fall in love, fall in love (To fall in love)

SHINE

You, you're such a big star to me
You're everything I wanna be
But you're stuck in a hole
And I want you to get out, out, out
All your anticipation pulls you down
When you can have it all
You can have it all, all, all

So come on
So come on, get it on
I don't know what you're waiting for
Your time is coming don't be late, hey hey
So come on
See the light on your face
Let it shine
Just let it shine
Let it shine

(Hey) Hey
(Let me know ya)
Let me know ya
(You're all that matters to me)
You're all that matters to me
(Hey, let me show ya)
Let me show ya
(You're all that matters to me)
You're all that matters

(Shine)
Hey (Let me love ya)
(Shine)
Let me love ya
(Shine)
(You're all that matters to me)
(Shine)
Oh come on (Hey)
See the light on your face
(Oh, come on yeah)
Let it shine
Just let it shine
(Shine all your light over me)
Shine

LAND OF 1000 DANCES

Dance with me, honey, like a long tossil
Twist the wit, loser, do the wah tootsie
You gotta hold your breath, yeah, like it like this
Do the jerk, watch me work now

Na, na-na-na
Na-na-na, na-na-na, na-na-na

COULD IT BE MAGIC

Spirits move me, everytime I'm near you
Whirling like a cyclone in my mind
Your my life line, angel of my lifetime
Answer to all answers I can find

Could it be magic now, now, now and hold on fast
Could this be the magic at last

Could it be magic now, now, now and hold on fast
Could this be the magic at last

Could it be magic, Could it be magic, Could it be magic now ...

GREATEST DAY [JUNIORS & SENIORS ONLY]

Today this could be, the greatest day of our lives
Today this could be, the greatest day of our lives

Oh and the world comes alive
And the world comes alive
And the world comes alive
Oh oh oh
Stay close to me (and the world comes alive) hold on
Stay close to me (and the world comes alive)
Watch the world come alive tonight
(Stay close to me) oh oh oh oh

RULE THE WORLD [JUNIORS & SENIORS ONLY]

You light the skies up above me
A star so bright you blind me

Don't close your eyes
Don't fade away
Don't fade away

Yeah, you and me, we can ride on a star
If you stay with me girl, we can rule the world
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you

NEVER FORGET

We've come a long way
But we're not too sure where we've been
We've had success
We've had good times
But remember this

Never forget where you've come here from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Never, everybody sing, oh baby
Never, no never, never forget for love
Never, everybody sing, oh baby
Never, no never, never forget for love
Someday, louder, louder, louder, louder loud

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more
