BEATLES MIX

HEY JUDE

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin (oh)
Then you begin (let it out) to make it better
Better, better, better, better, better (let yourself go)
Yeah-yeah-yeah, yeah-yeah-yeah-yeah (na-na-na, na-na-na)
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude

Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude
Na-na-na, na-na-na-na
Na-na-na-na, hey Jude

LET IT BE

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And when the broken hearted people living in the world agree
There will be an answer, let it be
For though they may be parted, there is still a chance that they will see
There will be an answer, let it be
Let it be, let it be, let it be, let it be
There will be an answer, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be
And let it be, let it be, let it be, let it be
There will be an answer, let it be
And let it be, let it be, let it be, let it be
There will be an answer, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

TAKE THAT MIX

IT ONLY TAKES A MINUTE

It only takes a minute girl...

Alright, let's go
Dance, come on now

It only takes a minute girl (Please)
To fall in love, (Just one minute) to fall in love (How, how)
It only takes a minute girl (It only takes a minute girl)
To fall in love, fall in love (To fall in love)

COULD IT BE MAGIC

Spirits move me, everytime I'm near you
Whirling like a cyclone in my mind
Your my life line, angel of my lifetime
Answer to all answers I can find

Could it be magic now, now, now and hold on fast
Could this be the magic at last

Could it be magic now, now, now and hold on fast
Could this be the magic at last

Could it be magic, Could it be magic, Could it be magic now ...

NEVER FORGET

We've come a long way
But we're not too sure where we've been
We've had success
We've had good times
But remember this

Never forget where you've come here from
Never pretend that it's all real
Someday soon this will all be someone else's dream
This will be someone else's dream

Never, everybody sing, oh baby
Never, no never, never forget for love
Never, everybody sing, oh baby
Never, no never, never forget for love
Someday, louder, louder, louder, louder loud

We've come so far and we've reached so high
And we've looked each day and night in the eye
And we're still so young and we hope for more
